

OmniSpin[®] Spinner

Better playgrounds. Better world.[™]

OmniSpin® Spinner

Introducing a Fun, New Spin on Inclusive Play

All aboard the OmniSpin®! This truly inclusive spinner balances physical accessibility, age and developmental appropriateness, and sensory-stimulating play for children of all abilities. This patent pending spinner offers back support and side walls that make spinning safe and fun, and the speed limiter ensures youngsters feel secure when taking a twirl. A go-round on the OmniSpin spinner provides lots of social play, along with valuable vestibular stimulation, an important component in the development of proper balance and posture. With an accessible transfer height entrance from a wheelchair or walker, scores of youngsters will find the OmniSpin spinner to be a fun, comfy space for interactive and cooperative play.

The OmniSpin spinner is the perfect freestanding spinning activity to accent any new or existing playground. Made from durable, color fast, vibrant polyethylene.

OmniSpin® Spinner

- For ages 5 to 12
