

# Sway Fun®

Better playgrounds. Better world.®

Sway Fun®

## Accessible is good. Inclusive is better.

There's nothing else on the playground quite like the Sway Fun®, the first truly inclusive glider for kids and adults of all ages and all abilities. It features ample room for two wheelchair passengers, and twin bench seating accommodates lots of friends and family. Also included are three bench and two wheelchair handholds, and an interactive Permalene® play table with dual cup holders. Plus, Sway Fun is ADA compliant.

Sway Fun's fully encased glider mechanism enables riders to control the tempo—back and forth, from mellow to merry. Even better, Sway Fun is compatible with any Landscape Structures PlayBooster® and PlayShaper® system. You can also install Sway Fun as a freestanding play event.

### Sway Fun®

- Double-wall constructed benches available in any polyethylene color; deck in brown or gray; choose any two-color Permalene for side panel
