We-saw™

Better playgrounds. Better world.®

We-saw™

Set Kids of All Abilities in Motion on the We-saw™

Our We-saw™ is a new take on our traditional seesaw and invites kids and families of all ages and abilities to participate in the fun. The We-saw is wheelchair accessible with appropriate surfacing and only needs two people but can accommodate many more. And like all our seesaws, the We-saw provides opportunities for collaborative play and teamwork.

The We-saw is a great freestanding event to add inclusive play opportunities to any new or existing playground.

Features:

- 4-seat seesaw with center platform for additional participants
- Gentle rocking motion
- Promotes inclusive play, cooperation, and teamwork
- Spring mechanism and in-ground bumpers for controlled motion
- Easy to install and maintain
- Seats, handles and footrests ensure a firm grip
- Seats made of durable, color fast, vibrant polyethylene
- Optional seat straps available

Developmental Benefits:

- Collaborative play
- Coordination
- Vestibular stimulation

We-saw™

- Ages 2 to 12
- Maximum fall height 54" (1,37 m)
- Minimum area recommended 16'8" x 23'5" (5,08 m x 7,14 m)
