

FORMA™

The contemporary new anywhere playsystem

FORMA™

We're bringing play to a new dimension.
Introducing Forma, a sculptural take on traditional play structures.
Clean, modern and unlike anything else.

Forma uses asymmetrical shapes, unique angles and a mix of materials to create play that looks and feels brand new.

Clear sightlines make it easy to see all the activity.
Above, below, inside and out, there's so much to explore with Forma!

Forma brings a contemporary vibe to any play environment.
With its architectural influences and endless colour possibilities,
create the perfect complement to your play setting,
whether you're looking for a nature-inspired style or something more modern.

Kids will love the dynamic, challenging, and inclusive play opportunities provided by Forma's clean, angular design and sensory-rich mix of materials.

Play connects us

Folio™ Balance Climber

Model #307423

The Folio Balance Climber contains three unique dynamic experiences in one unit.

Whether shimmying across the slack line, bobbling on the bouncy cable-wrapped balance beam or traversing the wobbly steps, everyone can find the right level of challenge and fun.

Age Range: 5 to 12 years

Features:

Accommodates many kids at once on several activities

The spring-mounted, cable-wrapped balance beam is at transfer height and the ends have cable supports to lean on while sitting

Durable galvanized steel frame

Steel-reinforced cables are extremely durable and vandal resistant

Recycled plastic lumber steps and Permalene® blocks provide challenging climbs

Slack line constructed from black, extra-thick, polyester-reinforced textured rubber belting

Footprint™ Balance Beam Model #307436

Kids improve their balance and agility while traversing the length of the Footprint Balance Beam.

Age Range: 2 to 12 years

Features:
Durable galvanized steel frame
Recycled plastic lumber beam adds to the visual and tactile interest

Footprint™ Steppers

Model # 307432 - 200mmH Stepper
Model #307433 - 400mmH Stepper
Model #307434 - 600mmH Stepper

The Footprint Steppers enhance discovery and exploration on the playground. They fit perfectly into your Forma™ playground design.

Age Range: 2 to 12 years

Features:
Durable galvanized steel post ,
Recycled plastic lumber steps add to the visual and tactile interest

Footprint™ Wobble Bouncer Model #307435

The Footprint Wobble Bouncer matches the aesthetic of the Forma product line, but provides wiggly, bouncy fun! Great for solo or collaborative play.

Age Range: 5 to 12 years

Features:
Durable galvanized steel frame and springs. Recycled plastic lumber beam adds to the visual and tactile interest

Forge™ Climber

Model #307425

The Forge Climber includes not only a large cable climber but also two unique panels with mirror cut-outs for sensory play. Cables are attached with revolutionary quiet connectors, so all you hear is the fun!

Age Range: 5 to 12 years

Features:

- Active and sensory play included in a single unit
- Panels include mirrors and cut-outs for tracing activity
- Durable galvanized steel construction

Steel-reinforced cables are extremely durable and vandal resistant, Recycled plastic lumber accents add to the visual and tactile interest

Forma™ Giggle Jiggler® Climber

Model #307438

Little ones love to balance and shimmy on the Forma Giggle Jiggler Climber. A floating Hourglass panel and wood-grain stepper add extra activities for sensory and active play.

Age Range: 2 to 5 Years

Features:

Clear play panel allows see-through play interaction, Durable galvanized steel frame

Steel-reinforced cables are extremely durable and vandal resistant

Recycled plastic lumber accents add to the visual and tactile interest

Hourglass panel made of Permalene® and SteelX®

Giggle Jiggler ring made from durable, UV-stable rotomolded polyethylene

Fortress™ Multi Climber

Model #307421

With climbing challenges of varying difficulty, the Fortress Multi-Climber offers something for everyone. The asymmetrical shapes, unique angles, and mix of materials create play that looks and feels like nothing else.

Age Range: 5 to 12 years

Features:

- Many different climbing challenges
- Durable galvanized steel frame
- Steel-reinforced cables are extremely durable and vandal resistant
- Recycled plastic lumber ladders on each end
- Flexible bridge constructed from black, extra-thick, polyester-reinforced textured rubber belting

Foxtrot™ Multi Climber

Model #307437

The Foxtrot Multi-Climber contains so many activities to keep young ones entertained. Stepping pods, a side-to-side climber, a bouncy bridge, fun coloured shape sliders, and mixed materials provide active and sensory fun for many kids at once. Caregivers will also appreciate the open sightlines.

Age Range: 2 to 5 Years

Features:

Durable galvanized steel frame

Steel-reinforced cables are extremely durable and vandal resistant

Recycled plastic lumber side-to-side climber and stepping pods

Flexible bridge constructed from black, extra-thick, polyester-reinforced textured rubber belting
